Ornamental Shade Trees

knows the value and use of Shade Trees. In comparing the comfort and beauty of urban avenues on hot Summer days with the barrenness and glare of down-town city streets, one will appreciate the value of trees.

Trees perform a real service to man in protecting him from the rays of Summer sun when they are planted along the streets and avenues. The beauty and comfort given by trees make them worth many times more than they cost, and we can consider them a good financial investment. A few trees, which cost just a few dollars, will be worth a lot of money in the years that follow, add many dollars to the value of the property and make it much more saleable.

Write for special prices on Tree Seedlings for reforestation. We are glad to co-operate with you.

AMERICAN BEECH (Fagus Americana). A very tall and stately tree. The leaves turn crimson in Autumn. 2 to 3 feet, each $1.50; per 10, $10.00.

SILVER MAPLE (Acer Saccharum). A very rapid growing tree. Will grow in any good soil and dry soil. 3 to 4 feet, each $1.00; per 10, $9.00. 4 to 5 feet transplanted, each $1.25; per 10, $12.00.

AMERICAN ELM (Ulmus Americana). A very tall and stately tree. The leaves turn crimson in Autumn. 2 to 3 feet, each $1.50; per 10, $9.00.

WHITE DOGWOOD (Cornus Florida). One of our native trees. It is planted both for its early spring and late fall attractiveness. In the early Spring the millions of white flowers appear before the leaves, then in the late Fall the foliage colors beautifully. 4 to 5 feet, each $1.25; per 10, $12.00.

WHITE BIRCH (Betula Alba). A very tall, graceful tree. The white bark makes it especially desirable. 4 to 6 feet, each $1.00; per 10, $10.00.

WITCH HAZEL (Hamamelis Virginiana). A much larger tree than the American Elm. It is planted both for its early Spring and late Fall attractiveness. In the early Spring it is covered with red flowers, in the late Fall its foliage turns crimson. 8 to 10 feet, each $2.00; per 10, $17.50.

VARNISH TREE (Koelreuteria Paniculata). A very tall, handsome tree. It is planted for its early Summer flowers and in Autumn for its crimson and gold foliage. 3 to 4 feet, each $1.50; 3 to 4 feet, each $1.25; per 10, $12.50.

MAGNOLIA VERNER (Magnolia Virgiana). A very rare tree. In July it is covered with clusters of golden yellow flowers. In Autumn it is covered with crimson and gold foliage. 5 to 6 feet, each $1.50; 6 to 8 feet, each $2.00; per 10, $12.50.

MAGNOLIA ACUMINATA (Cucumber Tree). A handsome and ornamental tree. It is covered in July with creamy white blossoms that appear before the leaves. It is very hardy. 4 to 5 feet, each $1.50; 6 to 8 feet, each $2.00; per 10, $12.50.

MAGNOLIA MACROPHYLLA (Great Leaved Magnolia). Same price as Acuminata.

MAGNOLIA VERNALIS (Vernal Magnolia). Same price as Acuminata.

VOMBARY POPLAR (Populus Nigra). A very tall, handsome tree. It grows very rapidly and makes a good screen. 4 to 6 feet, each $1.50; 6 to 8 feet, each $2.00; per 10, $15.00.

FEMALE WILLOW (Salix Babylonica). A small, attractive tree, with numerous upright branches. The catkins are highly prized for cutting and furnishing the first Spring beauty to house decorations. 3 to 4 feet, each $1.50; 4 to 6 feet, each $2.00; per 10, $12.50.

Scenic Willow (Salix Caprea). A small, attractive tree, with numerous upright branches. The catkins are highly prized for cutting and furnishing the first Spring beauty to house decorations. 3 to 4 feet, each $1.50; 4 to 6 feet, each $2.00; per 10, $12.50.

Sycamore (Platanus Occidentalis). A hardly, native tree, often reaches 100 feet. The bark peels annually and the new bark is dark brown. 4 to 6 feet, each $1.50; 6 to 8 feet, each $2.00; per 10, $15.00.
Popular Ornamental Shrubs

Ornamental shrubs are extensively used in beautifying all homes. Homes, large and small alike need the finishing touch given by planting to make them homelike and attractive. A small investment in planting pays for itself many times over by increasing the value of your property and your satisfaction in owning it.

AMERICAN AARDVARK. Beauty Powerhouse, beautiful coarse foliage. Leaves well shaped and glossy. Flowers white in flat heads early in season. 12 to 18 inch branched, each 15c per 10. $1.25; 18 to 24 inch branched, each 46c per 10. $4.00; 2 to 3 feet, each 76c per 10. $6.00.

PRUNUS LAURUS. Evergreen. Hard to bloom. Flowers white. 12 to 18 inch branched, each 10c per 10. $1.00; 18 to 24 inch branched, each 25c per 10. $2.00; 2 to 3 feet, each 40c per 10. $3.00.

We recommend the following Shrubs:

- Virginia Cranberry: Very attractive. Dense shrubs. Leaves small and shiny with white flowering. State color wanted. 12 to 18 inch, each, 35c; per 10. $2.00; 2 to 3 feet, each, 50c per 10. $4.00; 3 to 4 feet, each, 76c per 10. $6.00.
- Crape Myrtle: A well-known shrub. Leaves small and shiny with white flowering. State color wanted. 12 to 18 inch, each, 20c; per 10. $1.50; 2 to 3 feet, each, 30c; per 10. $2.00; $4.00.
- Cornus Lutea: Yellow bare. This variety affords quite a contrast. 12 to 18 inch, each, 26c; per 10. $2.00; 18 to 24 inch, each, 35c; per 10. $2.50; 2 to 3 feet, each, 40c; per 10. $3.50.
- American Elder: Cut Leaf Elder. Light pink flowers. Portion with light pink flowers. Flowers in large panicles. We offer both red and pink varieties.

Selection of Spring Flowering Bulbs for Fall Planting

We have, never attempted to sell the lowest priced stock, but we have attempted, and we believe to move them, we are offering below some beautiful varieties at greatly reduced prices. They are vigorous growers, free bloomers and easily cultivated.

BOYD NURSERY CO., McMinnville, Tenn.
Fruit Trees -- Grape Vines -- Strawberry Plants

Because fruit, bought of others, is often expensive, some people feel that fruit trees are costly to buy and hard to raise successfully. The fact is that for a few dollars the average home can raise a surprising quantity of excellent fruit in great variety. Grape vines, bearing huge flavorful bunches, can be trained along the side of the garage, adding to its beauty. Grapes trained along fences add charm to the grounds and save money in the kitchen.

A few fruit trees wisely placed yield shade, beauty, pleasure, and very often profit from the sale of fruit. And, even in a small yard, you can raise a remarkable variety of grapes, gooseberries, strawberries, raspberries, apples, plums, cherries, peaches and pears.

Look at the following prices, see what a surprising assortment you can buy for only a small amount of money. Remember our trees come to you under a guarantee of satisfaction or your money refunded, provided you advise us promptly upon receipt of the shipment.

**Apples**

Special attention

If you do not have a copy of our descriptive catalogue, write for one today. It's FREE.

If you order from us, you will save money, and you will know where you got the stock. We guarantee satisfaction, and a trial order will convince you that we are delivering quality stock at reasonable prices.

---

Fruit trees are always massed plantings. They are hardy and readily take their proper place in any landscape scheme. For massed plantings, they are more desirable than deciduous trees, while for specimen plantings they have a high value.
